[Despatch Abstract.]

Education - Fisheries - Fisheries High & Elementary School, Malpe in South Kanara Dt - Conversion into a Middle School and appointment of addl staff - Proposals of the D.F. - Sanctioned

Department of Fisheries.

Dev 109771 F/50 1.11.50

From
The Director of Fisheries,
Madras.

To
The Secretary to Government,
Development Department, Madras.

No.16043 A4/50 dated 26-10-50.

Sir,

Sub: Education -Malpe Fisheries Higher Elementary School Conversion into a Middle School - Proposal - Submitted - Sanction - Request of -

---

The Director of Public Instruction in his letter No. 1657 K4/49 dated 30-3-50 (Copy enclosed) has suggested that Standards VI to VIII of the present Malpe Fisheries Higher Elementary School may be converted into Forms I to III and that the opening of High School forms may be considered later after watching the progress of the Middle School and when suitable accommodation has been secured for the school. He has further suggested that admission in the school may be opened to children of all communities and that the children of fishermen community may be exempted from the payment of fees as in the case of Government Fisheries School, Madapalli. The Middle School has to follow the recognised Secondary Education Scheme and provision for the teaching of Fisheries Technology has also to be provided under "Craft" to the fisher children.

2. The Deputy Director of Fisheries (South) has submitted proposals for converting the Malpe Higher Elementary School into a Middle school by converting the present standards to forms. The present strength of the Higher Elementary Standards are as follows:

VI	..	119
VII	..	60
VIII	..	56

For the conversion of the Higher Elementary School into a Middle school, the staff given in annexure I are required for running them efficiently.

3. Out of the staff, required, there are already five Secondary grade teachers and proposals for the three remaining Secondary grade teachers who are required immediately irrespective of the fact whether the school is converted into a Middle school or not has been submitted to Government in this office Letter No.14384 A4/50 dated 30-9-50 for sanction. Therefore the additional staff at present required are a Headmaster (B.A.L.T.) a Physical cum Drawing Master and a peon. To minimise expenditure the clerical work will be attended to by one of the Secondary grade teachers, since there is at present another Secondary grade teacher who is qualified and holds a Hindi, Kannada Vidwan diploma and another who is qualified in Hindi holds a Hindi Visharad diploma, the question of appointing separate Hindi or Kannada Vidwan need not be taken up at present.

4. As regards accommodation, the Deputy Director of Fisheries (South) reports that no additional accommodation is also necessary. The extension of the building with 200 school places sanctioned in G.O.No.5320 Development dated 27-8-48 is nearing completion and it will be completed soon. This block can be used for housing the proposed Middle School.

5. I furnish in Annexure II to this letter the financial implications of the proposal and also the estimated fees that can be collected from the non-fisher children.

P.T.O.

If

If the collection of fees is taken into consideration towards the expenditure on staff, the additional expenditure required for the current year will be about Rs.500/- only.

In the circumstances, I request that Government may be pleased to accord sanction to the conversion of the existing Malpe Higher Elementary school into a Middle School without the proposal being treated as a Part II Scheme for 1951-52 and also to incur the expenditure given under recurring and non-recurring towards the employment of additional staff and library books etc, since the public of Malpe are also anxious to get the school converted into a Middle School as early as possible.

R Ramakrishnaya

cs/28-10. for Director of Fisheries.

ANNEXURE I

Staff required for the Middle School.

One Headmaster (B.A.L.T. or B.T.) on Rs.85-5-175

Eight Secondary Grade Teachers on Rs. 40-3-85

One Physical and Drawing Instructor (combined) on Rs.50-3-100

One Peon on Rs.18-½(A) - 25

ANNEXURE II.

The financial implications of the scheme are as follows:--

Recurring.

Pay of a B.A.,L.T. Headmaster at Rs.85/- for 12 months.	Rs.1020	0	0
Special pay as Headmaster at Rs.10/-P.M.	120	0	0
Pay of Physical Cum drawing master on Rs.50/-	600	0	0
Pay of Peon at Rs.18/-	216	0	0
Dearness Allowance of B.A., L.T. at Rs.24/- Physical Instructor Rs.22/- Peon at Rs.18/-	768	0	0
	Rs.2724	0	0

II Non-recurring.

Library Books, Teaching appliances etc.	250	0	0

The fees that can be collected from Non-fisher children can be estimated as;

Standard.	Strength.	Non-fisher children.	Rs.
VI	119	48	836/-
VII	60	18	286/-
VIII	53	26	462/-
	232	92	1584/-

Copy of Letter No.R.C.1657 K4/49 dated 30-3-1950 from the Director of Public Instruction, Madras, to the Director of Fisheries, Madras.

Sub: Schools - Government Fisheries Higher Elementary School - Malpe - Conversion into a Middle School -

Ref: Your letter No. 6426 H.5/49 dated 7-11-1949.

P.T.O.

The strength in the Higher Elementary standards of the Government Fisheries School, Malpe, is encouraging and affords scope of development into a Secndary School with forms I to III. It is reported that there are no high schools within a radius of 5 miles from Malpe and the need for a Secondary School in the locali is therefore apparent. I am of opinion that in the first instance standards VI to VIII of the present Higher Elementary School may be converted into Forms I to III. The opening of the High School forms may be considered later after watching the progress of the Middle School and when suitable accommodation has been secured for the school.

The middle school may be continued in the present Higher Elementary School ~~xxxx

Development Department

Sub: Education - Fisheries - Fisheries Higher Elementary School, Malpe in South Kanara District - Conversion into a Middle School - Proposals of the D.F. ~~accepted and additional staff sanctioned~~.

Ref: From the D.F. Lr.No.16043 A.4/50 dated 26.10.1950.

G.O.Ms.No. 522 dated 2/2/51

The D.F. has in the letter read above, submitted proposals for the conversion of the present Fisheries Higher Elementary School at Malpe in South Kanara Dt., into a Middle School and for the appointment of additional staff in that connection. H.E. the Governor of Madras accepts his proposals and directs that, with effect from the next school year the standards VI to VIII of the Fisheries Higher Elementary School, Malpe be converted into forms I to III and that the school be converted into a Middle School.

2. Sanction is accorded to the employment ~~temporarily~~ temporarily of the following staff for a period of one year from the date of appointment:-

1. One Headmaster ~~B.A., L.T., or B.T.~~ on Rs.85-5-125-10-175 p.m.
2. One Physical-Cum-Drawing Master on Rs.50-2-70-2½-95 p.m.
3. One Peon on Rs.18-½-25 p.m.

3. Sanction is also accorded to the incurring of a non-recurring expenditure of Rs.250/- (Rupees two hundred and fifty only) towards the purchase of library books, teaching appliances etc.

4. The admission in the school should be opened to children of all communities and the children of Fishermen only should be exempted from the payment of fees, in the Middle School Classes.

5. The expenditure should be debited to "43. Industries and Supplies - e.Fisheries - F.Fisheries Schools".

Sub: Education - Fisheries - Fisheries Higher Elementary School, Malpe - Conversion into a Middle School - Proposals.

Ref: From the D.F. Lr.No.16043A.4/50 dated 26.10.1950.

To A.S.

Attention is invited to the letter from the D.F. on pp.1-2 c.f.

There is at present only one High School run by the Fisheries Department for the benefit of the Fisher children and that school is at Madapalli in Malabar Dt. The D.F. has now submitted proposals for converting the Fisheries Higher Elementary School, Malpe into Middle School by converting the present standards VI to VIII in the school into forms I to III. The present strength of the Higher Elementary Standards are 119 in standard VI, 60 in standard VII and 56 in standard VIII.

The D.P.I. who was consulted by the D.F. ~~in the matter~~ has suggested that the present standards VI to VIII of the school may be converted into Forms I to III and that the opening of High School forms may be considered later after watching the progress of the Middle school and when suitable accommodation has been secured for the school. He has further suggested that admission in the school may be opened to children of all communities and that the children of fishermen community may be exempted from the payment of fees as in the case of the Fisheries Technical High School, Madapalli. He has stated that the Middle School has to follow the reorganised Secondary Education Scheme and provision for the teaching of Fisheries Technology has also to be provided under 'Craft' to the fisher children.

The D.F. has stated that for the conversion of the school into Middle school the following staff are required:-

1 Headmaster (B.A.L.T. or B.T.) on Rs.85-5-175.
8 Secondary Grade Teachers on Rs.40-3-85
1 Physical and Drawing Instructor (combined) on Rs.50-3-100
1 Peon on Rs.18-½(A)-25.

2

Out of the above staff, there are already 5 Secondary Grade teachers in the school and a proposal to appoint 3 more Secondary Grade teachers in the current year is under the consideration of the Govt. separately. That file is in circulation with a draft order. The D.F. has therefore stated that the additional staff now required are

(1) One Headmaster (B.A.L.T. or B.T.) on Rs.85-5-175 p.m.
(2) One Physical Cum Drawing Master on Rs.50-3-100 p.m.
(3) One peon on Rs.18-½-25 p.m.

The D.F. has stated that the clerical work of the school will be attended to by one of the Secondary grade teachers. He has also stated that there is no need to appoint separate Hindi or Kannada Vidwans as there are at present two Secondary grade teachers in the school holding Kannada Vidwan diploma and Hindi Visharad diploma, who could teach these subjects. As regards accommodation it is stated that no additional accommodation is necessary for the present.

The financial implications of the proposal is Rs.2,724/- recurring and Rs.250/- non-recurring as detailed at 'B' on p.3 c.f. A sum of Rs.1,584/- is expected to be realised as fees from the non-fisher-children. The D.F. has stated that if the collection of fees is taken into consideration towards the expenditure on the staff, the additional expenditure required for the current year will be about Rs.500/- only. It is not clear how this figure was arrived at by the DF.

The Director has therefore requested that his proposals for the conversion of the existing Fisheries Higher Elementary school into a Middle school and to appoint the additional staff of one Headmaster, one Physical-cum- Drawing Master and a Peon and to incur a non-recurring expenditure of Rs.250/- may be accepted and sanctioned in the current year itself.

In the circumstances it is for orders whether the proposals of the D.F. at 'A' above will be accepted in this Department. ~~After orders are passed the file may be sent~~ The scale of pay of Rs.50-3-100 p.m. is not a standard one. The scale may be fixed as Rs.50-3-65-2-95 which is grade I scale for Physical Training Instructors in the Education Dept.

ASSISTANT SECRETARY 11 NOV 1950 35388 EDUCATION DEPARTMENT

EDUCATION DEPARTMENT (B)

The notes of the Development Department on pages 1.3 above may be perused. As half of the current school year has already passed, it does not seem t desirable to convert the the Fisheries Higher Elementary School, Malpe, into a middle school during this year. The conversion may be given effect to from the next school year. The additional staff proposed for the middle school and the scale of pay proposed for the Phy. Trg. Instructor may be agreed to/. The scale of pay for the Headmaster may be Rs.85-5-125-10-175 (the scale admissible for headmasters and headmistresses of ~~mi~~ Government Middle Schools under the control of this Department.)

2. With the above remarks, the file may be passed on to Finance U.O.

Edn(B) No. 35388/50-I/Edn 17/11/50.

13/11/50 14/11

15/11/50

ASSISTANT 14 NOV 1950 95303 FIN DEPARTMENT

Finance (E.II) Deptt.

The proposal relates to the conversion of the existing Fisheries Higher Elementary School, Malpe, into a Middle School. (The extra cost involved works out to Rs 3,800 recurring and Rs 250/- non-recurring).

2. The proposal involves the employment of the following additional staff:--

1 Headmaster (B.A., L.T., or B.T.)
1 Physical cum Drawing Master and
1 Peon.

The Director of Fisheries anticipates that-

a sum of Rs 1,584 may be ~~relieved~~ realised by way of school fees from the non-fisher children. Education Deptt. have stated that as half the current year has already passed, the conversion may be given effect to from the next school year.

3. It is submitted that in the circumstances this department may agree to the conversion of the Higher Elementary School at Malpe, into a Middle School subject to the Education department's suggestion that the conversion may be given effect to from the next school year.

4. The following remarks are called for on the details of the proposal:--

(i) Headmaster - As pointed out by the Edn. Department, the scale of pay of the Headmaster should be Rs 85-5-125-10-175.

(ii) Physical Training Instructor - Development propose to sanction the employment of a Grade I Physical Training Instructor on Rs 50-3-65-2-95. The necessity for a Physical Instructor in Grade I for this Middle School is not apparent, especially at this stage. It seems sufficient to employ a Grade III Physical Instructor on Rs 40-60. If, however, it is found from experience that a Grade II or Grade I Physical Instructor is necessary for this school, the Dir. will no doubt come upto Government for upgrading of the post, later.

(iii) As the extra cost involved in the proposal exceeds the limit of Rs 3,000/- per annum, Dev. may be requested to circulate the case to H.M.(Fin.) also.

Notes of Education and finance depts on pp 3-4 above may be perused.

FOURTH ASSISTANT SECRETARY TO GOVERNMENT
7 DEC 1950
DEVELOPMENT DEPARTMENT

The suggestion of Education at 'S' on p3 above and that of Finance at 'N' on p4 above may be accepted in 'N' on p-4 above.-

The scale of pay for the Headmaster suggested by Finance may also be accepted.

With regard to the Finance remarks at 'P' on p4 above it is submitted that the D.F. has proposed the employment of a Physical-cum-Drawing Master in the proposed Middle School who should look after the duties of both the Physical Training Instructor and Drawing Master. By this proposal the D.F. has eliminated the appointment of a separate Drawing Master for the School. In view of this it seems that the employment of a Physical-Cum-Drawing Master on Rs 50-2-70-2½-95 (Scale for Grade I Physical Training Instructor) is necessary for the School. In the circumstances it is for orders whether Finance may be requested to reconsider their view at 'P' on p4 above.

FINANCE DEPARTMENT

A above.

b

It is submitted that, while suggesting that a III grade Physical Training Instructor may be sufficient for the school, this department was aware of the fact that the Physical Training Instructor will have to attend to the drawing instruction as well. A Gr. III post was suggested in view of the fact that the School is just now being converted into a middle School and that the work will not be very heavy in the initial stages. If, however, Development feel that the Instructor should be of a higher grade, this department may suggest that he may be employed in the Scale of Rs 45-2-75, applicable to Grade II Physical Training Instructors, to begin with

For Orders.
